If Icebreaker: The Valentine Version

Group size: 4 – 8 people per group

Time needed: 15 minutes

Supplies: Valentine If game cards

Instructions: Print and cut the game cards. Place the cards in a stack in the center of the circle/table. Going around the circle, have each person draw one card and answer it. Play is completed when everyone has drawn one card and answered once.

Notes: Consider putting one card at each person's chair/space before your meeting/group/event begins. Most will appreciate having some time to think about their response (though you run the risk of missing out on spontaneous answers). Print the cards on colored paper or cardstock so the questions can't be seen. You may want to laminate the cards for repeated use. If time permits have everyone draw additional cards. Alternatively, you could place the cards in a bowl or red gift bag and pass it around with each person drawing one.
