

Sister Six

6 women + 6 months = 6 times the fun

Looking to meet other women at Salem?

Longing for a "girls' night out"?

Sister Six groups seek to connect groups of 6 women for 6 months (May through October) for 4-6 activities.

A group leader will make the initial contact with group members and will select the first group activity. You and your group members will help plan the remaining activities such as a movie night, potluck meal, or a game night. Sister Six activities could take place in homes, local restaurants, a bowling alley, a movie theater, or even a park. The possibilities are almost endless!

Registration forms must be received by Monday, April 26th.
Sister Six groups will begin meeting in May.
